STIPULATION

This matter was set for status on Tuesday, March 2, 2010, at 9:00 a.m. The parties appeared and jointly stipulated and requested that the defendant be re-evaluated by the U.S. Probation Office. Specifically, the parties agreed that Dr. Chamberlain should re-evaluate Mr. Rouvinen with the benefit of Mr. Rouvinen's medical records and information about the most recent charges of supervised release violations. The parties agreed to put this matter back on the Court's calendar once the re-evaluation has been completed. The Court confirmed with the defendant that he agrees that a re-evaluation is in his best interests. The parties therefore stipulate and agree that the Probation Officer shall release copies of the defendant's medical records in her possession, including any records obtained from the Bureau of Prisons, to the

1 parties and to Dr. Chamberlain. The parties further stipulate and agree that the Court shall order
2 the Probation Office to obtain a re-evaluation of the defendant by Dr. Chamberlain, or another
3 qualified doctor, at the expense of the Probation Office.

IT IS FURTHER ORDERED that the Probation Office shall order and pay for a re-evaluation of the defendant by Dr. Chamberlain or another qualified psychiatric examiner to reconsider the following:

2. His dangerousness to himself and the community (both when he is properly medicated and when he is not); and
3. The effectiveness of his current medical regimen and suggestions as to other appropriate treatment options.
